

**Kevin K. Prajapati**

**Assistant Professor**

**4 Years | M.Tech (Computer Engineering)**

Prof. K.K. Prajapati has completed M.Tech (Computer Engg.) from C.G.P.I.T., Maliba Campus, Uka Tarsadia University (UTU). He has published 2 papers in International Journals, 1 paper in International Conference (McGraw Hill Publication) and 1 paper in National Conference.

**CONTACT INFORMATION :**

Mobile No.: 9033293920

Office Phone: 64-213 (Ex. No.)

Cabin No.: HPVTC-21

Email ID: kkp.fetr@gmail.com

**EXPERIENCE :**

Teaching: 4 Years

Industry: NIL

Membership: -

**Specialization:** M.Tech (Computer Engineering)

**Subjects Taught:** Computer Programming & Utilization, Cyber Security, Database Management System, Object Programming with C++, Object Oriented Programming using JAVA, Advance JAVA, Theory of Computation, Data Structure, Computer Networks, Operating System

**Specialization Area:** Wireless Sensor Network, Computer Network, Image Processing, DBMS and OS

**Publications:**

**International/National Journal:**

**Title**

1. Published research paper on - "APPLE GRADING USING FUZZY LOGIC WITH LAB COLOUR SPACE" International Journal of Advanced Research in Engineering, Science and Management. Volume 2, issue 1, ISSN: 2394-1766 October 2015.
2. Published research paper on – "APPLE GRADING USING FUZZY LOGIC" in International Journal of Modern Trends in Engineering and Research (IJMTER), Volume 2, Issue 7, July-2015.

**International/National Conference:**

1. Published research paper on - "APPLE GRADING USING FUZZY LOGIC" in 4th International Conference on Recent Trends in Engineering and Technology (ICRTET'2015 McGraw Hill Publication) e-ISSN No.:2349-9745, 2nd to 4th July, 2015.
2. Published review paper on-"A Review on Zigbee Technology" in National Conference on Recent Advances in Engineering for Sustainability (NCRAES'2015) held on 29-30 May, 2015.
